

COMING EVENTS

For Boys 3rd– 6th Grade

Mentoring Boys is what the Royal Rangers is all about...

In order to mentor more boys we will be adding a new component to our classes. This new component is called “resource” time. During the “resource” time **your boy will be learning all types of trades from carpentry to rocketry.** Each resource will last anywhere from 1-6 weeks. We will be bringing in men from the church that have gifts and talents to teach these short-term resource classes. Some of these classes have a cost. For the coming quarter the cost is \$5

Pow– Wow 2010

Pow– Wow is one of the best events that the Royal Rangers puts on every year. At Pow-Wow your boy will camp out with hundreds of other boys from Florida and experience God through some awesome services. Be looking for more information on Pow-Wow 2010. Pow-Wow will be on April 9-11 at Fort Wilderness in Fort Meade, FL. Parents are welcome and encouraged to come.
